ABOUT ME

I am John Smith, a dynamic individual from Birmingham, United Kingdom, with a relentless pursuit of diverse passions and unwavering commitment to excellence. My strong academic background in Commerce and Finance, complemented by a Diploma in International Financial Reporting Standards (IFRS), has honed my expertise in business and accounting. A fervent passion for martial arts led me to achieve a Black Belt and secure four consecutive medals at the state-level Karate Championship. Currently pursuing an MBA and interning at Stunited CIC, my journey continues to inspire others to pursue their dreams.

MY BACKGROUND

My background is rooted in a strong foundation of academic and personal growth. I pursued a Bachelor's degree in Commerce with a specialization in Finance, acquiring essential knowledge in the world of business and finance. Additionally, I complemented my expertise by obtaining a Diploma in International Financial Reporting Standards (IFRS), enhancing my skills in accounting and financial reporting. Throughout my educational journey, I demonstrated leadership qualities and organizational abilities, earning recognition as the Association Secretary for Commerce during my college years. Beyond academics, I am passionate about martial arts and devoted four years to Karate, achieving a Black Belt and winning four consecutive medals at the state-level Karate Championship. These experiences have shaped me into a dynamic and versatile individual, ready to embrace new challenges and pursue excellence in all endeavours.

MY JOURNEY

My journey has been a testament to determination and diverse passions. I studied BCom Finance, pursued a Diploma in IFRS, and embraced leadership roles in college. Alongside academics, I immersed myself in Karate for four years, winning four consecutive state-level medals. After graduation, I ventured into sales and marketing, becoming a Sales Manager, leading a team to impressive results. In 2022, I started pursuing an MBA at the University of Northampton. Currently, I am interning at Stunited CIC as part of my post-graduation journey, gaining practical business insights. My experiences fuel my passion for excellence, inspiring others to pursue their dreams with unwavering determination.

MY ACHIEVEMENTS

Throughout my journey, I have achieved remarkable milestones that attest to my dedication and commitment to excellence. Obtaining a Bachelor's degree in Commerce with a specialization in Finance laid the groundwork for my understanding of business and financial principles. Additionally, earning a Diploma in International Financial Reporting Standards (IFRS) further enhanced my expertise in accounting and financial reporting, setting me apart in the field. During my college years, my leadership qualities and organizational abilities were acknowledged when I was elected as the Association Secretary for Commerce. Moreover, my passion for martial arts led to significant accomplishments, as I attained a Black Belt and secured four consecutive medals at the state-level Karate Championship. These achievements reflect my determination to excel in various domains and serve as a testament to my unwavering pursuit of success.
